## Award Winning Assisted Living

# Life with Us

## The Santa Anita Difference

Life here is a celebration—a joyful blend of comfort, convenience, and the warmth of home. Our award-winning community provides a rich array of amenities and personalized services that enhance your well-being every day. From chef-prepared dining to engaging activities and outings, we are committed to making each moment special.

Whether you prefer a peaceful afternoon in our cozy library or the excitement of a lively game night, you'll find endless opportunities to connect, engage, and enjoy life to the fullest. Experience the difference the moment you step through our doors—the feeling of truly being *Welcomed Home*.

### Assisted Living

Enjoy the freedom of independence while having the perfect level of support when needed. From daily assistance with personal care and medication to fun social activities and delicious meals, our community offers a warm, home-like atmosphere where every day feels like a new opportunity.
